Guest Policies and Service Standards

SVH-POL-001 | Version 2.0 | CURRENT | Effective 2026-10-01

Owner: Rooms Division Manager | Audience: Guest-facing reference / training

7777 A Street, San Diego, CA 92101 | 855-755-8575 | guest@skyviewhotel.site

POL-01 / Reservations and arrival

Property and scope

Skyview Hotel is the fictional training property at 7777 A Street, San Diego, CA 92101. Reservations and guest assistance: 855-755-8575, guest@skyviewhotel.site, www.skyviewhotel.site. This policy applies to individually booked stays unless a signed group agreement expressly states a different term.

Arrival and identification

Standard check-in begins at 4:00 p.m. Pacific Time. The primary registered guest must be at least 21 and present government-issued photo identification and a payment card in the same name. A second adult may be added to the registration after identity verification. A reservation number alone does not authorize entry or release of a key.

Item	Current training rule
Guaranteed late arrival	Advise the desk when arrival is expected after 10:00 p.m.; the desk operates 24 hours.
Early arrival	From noon, $40 per room, only after a clean room is released. Earlier access requires a separately confirmed arrangement.
Luggage storage	Complimentary same-day storage for registered arriving or departing guests; issue a claim tag.
Unaccompanied minors	Do not confirm a stay without an authorized adult meeting the minimum check-in age.

Promises and exceptions

A requested floor, room number, connecting room, or early arrival is a preference until confirmed. The duty manager records any approved exception in the reservation notes, including approver, reason, time, and scope.

Document authority: current version 2.0, effective October 1, 2026. Archived terms do not govern stays beginning on or after that date unless an existing signed agreement explicitly preserves them.

POL-02 / Cancellation, payment and incidental holds

Flexible reservations

For the standard flexible rate, cancel by 4:00 p.m. Pacific Time on the calendar day before arrival without a cancellation charge. A later cancellation or no-show incurs one booked night of room charges plus applicable charges shown on the reservation. Record and provide the cancellation confirmation number.

Other rate plans

Advance Purchase is prepaid and nonrefundable after the booking is confirmed. Group blocks, negotiated accounts, event packages, and third-party bookings follow their stated agreement. Staff must identify the booked rate plan before quoting a cancellation or refund outcome. Never convert a nonrefundable booking into a flexible booking by verbal promise.

Payment item	Rule
Accepted tender	Visa, Mastercard, American Express, Discover, or an approved direct-bill account. Cash may settle a final folio but cannot replace the check-in card requirement.
Incidental authorization	$100 per booked night, capped at $500 per room per stay, in addition to the lodging balance. This is a hold, not a room fee.
Release timing	The hotel releases unused authorization at checkout. The fictional guest estimate is 3-7 business days for bank processing; the card issuer controls actual timing.
Split folio	Arrange before checkout; the registered guest approves charge routing. Never email a full card number.

Refund review

The front desk can explain terms and collect evidence. A supervisor reviews disputed charges; only an authorized manager approves a refund. Send the outcome to the verified guest contact. No percentage tax rate or live booking quote is specified in this corpus.

POL-03 / Departure, visitors and quiet enjoyment

Departure time

Standard checkout is 11:00 a.m. Pacific Time. Express checkout is available through the desk; staff verify the email destination before issuing a folio. Vacating the room does not automatically settle unreviewed incidentals.

Requested departure	Availability-dependent charge
Until noon	Complimentary only when the desk confirms availability.
After noon, through 1:00 p.m.	$35 per room.
After 1:00 p.m., through 3:00 p.m.	$75 per room.
After 3:00 p.m.	An additional night at the applicable confirmed rate, if a room extension can be accommodated.

Visitor and occupancy rules

Register every overnight occupant, including children. Maximum sleeping occupancy is 2 in a Standard King, 4 in a Double Queen, 5 in a Family Suite, and 4 in a Skyview Suite. Day visitors must leave guest floors by 10:00 p.m. unless registered within the room limit. Event attendance does not confer guest-room access.

Quiet hours and disturbances

Quiet hours are 10:00 p.m.-7:00 a.m. Music and conversation must remain inside the room. For a first nonurgent complaint, the desk records the report and asks the room to reduce noise. A repeated or serious incident goes to the duty manager and security; staff do not promise eviction or a refund before review.

Commercial use

Guest rooms cannot be used as public meeting venues, exhibition booths, or unscheduled filming locations. Route commercial photography, interviews, and group gatherings to Event Services for a written arrangement.

POL-04 / Parking, pets and smoke-free rooms

Service	Current fictional policy
Self-parking	$32 per vehicle per overnight stay-night, with in/out privileges after plate registration. Checkout-day parking ends at 3:00 p.m. unless extended by the desk.
Day/event parking	$18 per vehicle for up to 8 hours; no overnight privileges. Parking is subject to availability.
EV charging	Four Level 2 spaces. Parking and charging are separate; a posted charging-provider price applies and is not specified here.
Valet / oversize vehicles	Valet is not offered. RVs, trailers and buses need a written parking plan; standard stalls are not promised.

Pet program

Dogs up to 50 lb each are permitted in designated rooms, maximum two dogs per room. The fee is $75 per stay for 1-6 nights; stays of 7 or more nights are $150 total. The fee applies per room, not per dog. Keep pets leashed in shared spaces and arrange service while the guest and pet are out. Do not leave a pet unattended in a room. Other pets require written approval before arrival.

Assistance animals

Assistance animals are handled outside the pet program and are not charged the pet fee. Staff do not request medical records. Refer eligibility or access questions to the duty manager and the separate real-world procedures that would need legal review; this fictional packet is not an accessibility compliance determination.

Smoking and damage

Guest rooms, balconies, meeting rooms, and interior public areas are smoke-free, including vaping. A documented smoking restoration charge is $300 per room occurrence. Damage beyond ordinary use is documented and reviewed by a manager before charging. Outdoor smoking is limited to the marked area away from entrances.

POL-05 / Amenities, housekeeping and accessibility requests

Amenity	Published training hours / terms
Harbor Table breakfast	6:30-10:00 a.m. daily. Not included in the standard room rate; $24 adult and $12 ages 6-12; ages 5 and under dine free with a paying adult.
Lobby Market	24 hours; sealed snacks, toiletries, and soft drinks. Charge to room after identity verification or pay at purchase.
Pool / fitness room	Pool 7:00 a.m.-10:00 p.m.; fitness room 24 hours. Pool has no lifeguard; minors require an accompanying responsible adult.
Guest Wi-Fi	Skyview-Guest; included in all room types. Obtain current access instructions from the desk. No password is published in this corpus.
Laundry	Guest laundry 7:00 a.m.-10:00 p.m.; paid machines. No same-day dry-cleaning service is promised.

Housekeeping choices

For multi-night stays, standard service is every other day between 9:00 a.m. and 4:00 p.m. Request complimentary daily service by 9:00 p.m. the previous evening. Extra towels and toiletries are available through the desk. A privacy sign pauses routine entry; the supervisor handles welfare concerns under the operations manual.

Accessible accommodations

Sixteen accessible rooms are included within the 250-room inventory: 6 Standard Kings, 8 Double Queens, and 2 Family Suites. Four of these rooms have roll-in showers. Confirm the exact requested features with Reservations before confirming suitability. Accessible inventory is a subset, not an additional room type.

Food and accommodation requests

Record the guest-described need without diagnosing it. Refer allergy questions to a food-service supervisor; no allergen-free kitchen is promised. For accessibility questions, describe confirmed features and route unknown measurements to the manager.

Synthetic content for AI training. Not approved for live hotel operations.

POL-06 / Privacy, belongings and service recovery

Guest information

Do not disclose a room number, presence at the hotel, travel dates, reservation details, or event attendance to an unverified caller. Offer to take a message. Send folios only after verification. Never put identification images, payment-card data, health details, passwords, or access codes in an AI assistant conversation.

Lost property

The staff member finding an item reports it to Housekeeping and logs the date, general location, category, and handling staff ID. Store it in the controlled lost-property area. Ordinary items are held 90 days; food and perishable items are discarded after 24 hours. Identity documents, medication, cash, and suspected hazardous items go immediately to the duty manager for controlled handling.

Returning an item

Verify the claimant using nonpublic item details and a matched stay record. Never announce the room number as a verification clue. The guest pays an agreed shipping cost before dispatch. Obtain a tracking number and record release. Found items are not automatically donated until a manager authorizes disposal after the hold period.

Service recovery

Acknowledge the issue, repeat the requested outcome, and document only relevant facts. Desk agents may replace a missing standard amenity or issue up to $25 in hotel food-and-beverage credit per room per stay. Credits of $26-$100 require the duty manager; above $100, room-charge refunds, and cancellation exceptions require the General Manager or designated approver. Never promise cash reimbursement before approval.

Escalation and limitations

Use 855-755-8575 or guest@skyviewhotel.site for nonurgent guest assistance. For an immediate threat to life or safety, contact emergency services and alert the duty manager. This packet does not provide live availability, current tax amounts, real guest data, or a real building evacuation map.

Training use only. Hotel identity/contact details were user-supplied; all policies, prices, capacities and procedures in this packet are invented.
