Rooms, Amenities and Booking Products

SVH-PRD-001 | Version 2.0 | CURRENT | Effective 2026-10-01

Owner: Reservations and Product Manager | Audience: Reservations / guest-facing product reference

7777 A Street, San Diego, CA 92101 | 855-755-8575 | guest@skyviewhotel.site

PRD-01 / Room inventory and sleeping capacity

Room type	Qty	Beds	Max guests / room	Total guests
Standard King	100	1 king	2	200
Double Queen	110	2 queens	4	440
Family Suite	30	1 king + queen sofa bed + single daybed	5	150
Skyview Suite	10	1 king + queen sofa bed	4	40
TOTAL	250	Accessible rooms included in these counts	-	830

Inventory interpretation

The 830-person total is the sum of the fictional maximum sleeping occupancy for each room type. It is not a promise that 830 beds, 830 available places on a particular date, or a certified building occupancy exist. Every occupant counts toward the published room limit, including children. Rollaway beds are not offered and cannot be used to increase the limit.

Accessibility subset

Sixteen rooms are designated accessible: 6 Kings, 8 Double Queens, and 2 Family Suites. Four have roll-in showers: 2 Kings and 2 Double Queens. The remaining accessible rooms have transfer-shower configurations. Hearing-access kits are available on request subject to confirmed stock. No exact doorway or turning-space measurements are supplied.

Connecting rooms

Twelve King/Double Queen pairs can connect, representing 24 existing rooms within the inventory. A request is not guaranteed until Reservations confirms both rooms together. Two rooms are two bookings/room charges unless a specific package says otherwise.

Property contact: 7777 A Street, San Diego, CA 92101 | 855-755-8575 | guest@skyviewhotel.site | www.skyviewhotel.site. All room specifications and inventory design are fictional.

PRD-02 / Room specifications and included features

Type	Approx. area	Primary features
Standard King	320 sq ft	Desk, lounge chair, king bed, walk-in shower, 55-inch television.
Double Queen	360 sq ft	Two queen beds, small dining/work table, shower/tub combination in standard configurations.
Family Suite	540 sq ft	Separate sitting zone, king bed, queen sofa bed, single daybed, microwave and under-counter refrigerator.
Skyview Suite	720 sq ft	Separate living room, king bedroom, queen sofa bed, six-seat dining table and two televisions.

Included in every room

Guest Wi-Fi, in-room coffee/tea setup, safe, iron/board, hair dryer, climate control, and a compact refrigerator are included. Standard room rates do not include breakfast or parking. Bottled drinks or snacks purchased from Lobby Market are charged separately. A refrigerator is not a full kitchen; no cooking hob or oven is provided.

Views and floor requests

Room type does not guarantee an ocean view, balcony, or a particular floor. The Skyview Suite name describes the fictional premium product; it is not an ocean-view guarantee. No guest room has a balcony in this training inventory. Describe only confirmed booking features.

Children and bedding

Cribs may be requested without a rental fee, subject to confirmed availability and the room's total occupancy limit. Connecting-room requests are handled by Reservations. Do not promise a rollaway or place extra sleeping furniture in an accessible circulation area.

Maintenance changes

A room may be temporarily removed from sale. Published inventory counts describe the designed mix; an authorized live inventory tool is required to answer whether a specific room type is currently available.

PRD-03 / Rates, packages and inclusions

Product	Illustrative price / terms	Included / excluded
Flexible room-only	King $189; Double Queen $219; Family Suite $289; Skyview Suite $429 per night.	Training reference prices only. Excludes breakfast, parking, taxes and other quoted statutory charges.
Breakfast Add-on	Adults $24; ages 6-12 $12; ages 5 and under free with a paying adult.	Harbor Table breakfast during published hours; not an all-day dining credit.
Park and Stay Add-on	$32 per vehicle per stay-night.	Registered self-parking with in/out privileges; no valet or guaranteed stall.
Advance Purchase	A separately quoted prepaid price; no fixed discount is published.	Nonrefundable after confirmation; review the actual booking terms.
Group Room Block	Custom signed agreement.	Cutoff date, release terms, rates and concessions are contract-specific.

Quoting rules

These prices are synthetic reference amounts for arithmetic and retrieval exercises. They are not live offers. Before confirming a reservation, obtain the actual rate for the dates, room type, occupancy, and rate plan from an authorized booking channel. No seasonal pricing table, tax percentage, resort fee, or available-room count is supplied.

Worked planning example

One Double Queen for two nights at the $219 illustrative room-only price is $438 in base room charges. One parked vehicle for two stay-nights adds $64. The combined known subtotal is $502 before any breakfast, taxes, or other quoted charges. Do not invent the final payable total when the tax information is absent.

Rate-plan precedence

Flexible cancellation is by 4:00 p.m. the day before arrival. Advance Purchase and group agreements can differ. A product name alone does not establish a discount, breakfast entitlement, or cancellation exception.

PRD-04 / Dining, recreation and practical services

Facility	Hours	Product notes
Harbor Table	Breakfast 6:30-10:00 a.m.; dinner 5:00-9:00 p.m. daily.	Breakfast $24 adult / $12 ages 6-12. Dinner is a la carte; no dinner menu prices are supplied.
Lobby Market	24 hours	Packaged snacks, drinks and basic toiletries.
Pool	7:00 a.m.-10:00 p.m.	No lifeguard; responsible-adult supervision for minors. No pool temperature, depth or accessibility-lift specifications supplied.
Fitness room	24 hours	Card access for registered guests; equipment selection may vary.
Guest laundry	7:00 a.m.-10:00 p.m.	Paid self-service machines; prices posted locally.
Front desk / luggage	24 hours / same-day tagged storage	No overnight luggage-storage commitment without manager confirmation.

Services not offered

No valet, hotel-operated airport shuttle, full-service spa, rollaway beds, or in-room cooking facilities are offered in this fictional product set. The desk may help the guest find transport information, but this corpus does not quote taxi fares, travel times, or third-party schedules.

Internet and work

Guest Wi-Fi is included. Conference organizers can request a dedicated event internet quotation. Standard guest Wi-Fi does not include a bandwidth guarantee or private broadcast network. Passwords and technical network configuration are intentionally excluded.

Contact and assistance

Use 855-755-8575 or guest@skyviewhotel.site for pre-arrival questions. Staff should verify the destination and intended audience before emailing a folio or a document containing personal information.

PRD-05 / Product questions and recommendation examples

Family of five

Recommend one Family Suite if it is available: maximum occupancy is five, with a king, queen sofa bed, and single daybed. A Double Queen accommodates only four. Two connecting rooms may be an alternative after both rooms and the connecting configuration are confirmed; do not present them as one room charge.

Executive hosting four colleagues

A Skyview Suite sleeps four but is not a public meeting room. For a scheduled business session, suggest Coronado Boardroom or another contracted event space. Guest-room occupancy and meeting seating are separate; product recommendations must not turn a suite into an unapproved event venue.

Guest with a dog for eight nights

Apply the long-stay pet fee of $150 total per designated pet room for stays of seven or more nights. Confirm the two-dog maximum, 50 lb per dog limit, availability, and supervision policy. Assistance animals follow the separate manager-reviewed pathway and are not charged the pet fee.

Accessible-room request

Ask which features the guest needs, confirm the actual available room configuration, and describe verified features. Do not assume every accessible room has a roll-in shower: only four do. If precise measurements or equipment specifications matter, ask Reservations to verify them before committing.

Knowledge limits

This guide cannot answer tomorrow's available room count, a live promotional price, exact local tax, a guest's reservation status, conference Wi-Fi credentials, or a real building safety approval. The assistant should state the missing input and route to the appropriate authorized channel.

Cross-references: Guest Policies POL-01 through POL-06 govern guest terms; Meetings and Events EVT-01 through EVT-05 govern event planning. Current product version is 2.0, effective October 1, 2026.
